

The Idaho Brittany Club held its fall field trial on September 24 & 25, 2011. We had record breaking weather this weekend. It was 101 degrees, yes that's right 101. But on Sunday at least a cold front came through and cooled it down to 80 degrees. We would like to thank all of our club volunteers and other Brittany clubs members from the NW that helped at our trial. Whether you helped with meals, hauling water, putting out course birds or any other little detail that goes on during a trial we would like to thank you. (The list is too long to list everybody's names) Our judges spent long hot days in the saddle; a big thank you goes out to all of you.

Unfortunately with the hot weather it made bird finding very hard on the dogs and our All Age course suffered greatly from this, the gun dog course had better luck. We did have a skunk scare on the gun dog course but luckily no dogs came away with any unwanted scent upon them. Hopefully we will see everybody in the spring, till then happy trials.

The open puppy stake was cancelled due to not enough entries for a point.
